

Florida ARVC Scholarship Program

Sponsored by the Florida Association of
RV Parks and Campgrounds

Oglebay School of RV Park & Campground Management

The School of RV Park & Campground Management at Oglebay, in Wheeling, WV, is sponsored by National ARVC and is operated by the National Foundation for RVing and Camping.

The school is a 50 hour intensive two-year program conducted for one week each year. The school offers park owners, operators, and managers a structured program covering a wide array of management and operations topics, including finance, administration, marketing, customer service, recreation programming, maintenance, personnel management, retail and food service operations and more. Students are awarded a Campground Management Certificate after completing their second year. Students who attend both years accumulate 50 of the 75 hours necessary to earn their initial Certified Park Operator (CPO) designation.
